### Cycles on trains

At peak times the following restrictions apply:

In the area bounded by Reading, Hook, Alton, Guildford and Dorking passengers travelling with cycles may not join or leave from services timed to arrive in London Waterloo between 0715 and 1000 inclusive and departing London Waterloo between 1645 and 1900 Monday to Friday.

### Changing trains

At most stations you will need to allow at least 5 minutes to change trains. Some stations have a different minimum time and this is shown against the station name in the timetable, for example

10 means you should allow at least 10 minutes to change trains at this station.

Please allow plenty of time to make your connection.

## Cycles on trains

The services in this timetable have limited room for cycles and we have to apply some restrictions.

The ★ symbol with train times printed in red show restricted trains - these restrictions are explained in the 'Notes' section. Cycles must be reserved in advance on all services operated by CrossCountry (XC).

We will carry folding cycles on any train as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on Rail-link buses or buses that replace trains during engineering work.
